## **BEGINNING TOGETHER** **AKA "MODULE V"**

We are pleased to announce the date for the 2019 **BEGINNING TOGETHER: CARING FOR YOUNG CHILDREN WITH DISABILITIES AND SPECIAL NEEDS IN INCLUSIVE SETTINGS INSTITUTE**, a Training of Trainers (ToT) that was created in collaboration with the California Department of Education, Early Education and Support Division and WestEd, Center for Child and Family Studies as a follow up to WestEd's Program for Infant/Toddler Care (PITC).

BEGINNING TOGETHER TOT INSTITUTE (also known as "PITC Module V") focuses on the information and skills needed to include infants and toddlers who have disabilities or special needs in child care and other settings. To attend BEGINNING TOGETHER, PITC graduates must have completed the certification process for Modules I - IV by November 1, 2019.

Additional BEGINNING TOGETHER TOT INSTITUTES are not anticipated in the near future. WestEd BEGINNING TOGETHER no longer awards funding to California residents.
