Change...

The only person who really likes change is a baby with a dirty diaper...

Never doubt that a small group of committed people can change the world, indeed, it is the only thing that ever has.

Issues to Consider when Implementing Program-Wide PBS

- Range of service delivery systems
- Training and expertise of teachers
- Program philosophy, curriculum practices
- Age and developmental level of children
- Resources for expertise in behavior support
- Policies and procedures in place related to behavior support and guidance
- Systematic way to measure effects and impact

What Makes Program-Wide Work?

- A champion(s)
- Administrative leadership
- Ongoing support for those working directly with children and families
- Clearly articulated policies and procedures related to behavior
- Commitment to long term process - systems change
- Collaboration between ECE and mental health and/ or behavior consultants

Critical Elements: Benchmarks of Quality

1. Establish Leadership Team
2. Program-wide expectations
3. Staff buy-in, ownership
4. Strategies for teaching & acknowledging expectations
5. Family involvement
6. Implementation of the teaching pyramid
7. Professional development and staff support plan
8. Plan for responding to challenging behavior
9. Monitoring implementation and outcomes

Critical Elements: 1. The Leadership Team

- Establish a Team
 - Broad representation
 - Administrative support
 - Regular meetings
 - Implementation plan (use critical elements)
 - Review and revise plan at-least annually

Critical Elements: 2. Program-Wide Expectations

1. Creates a shared focus and continuity for Program, school, classrooms
 - Gives School/Program a shared language
2. Communicates positively what is desired
3. General enough for all settings, but specific enough to lead to the generation of rules for targeted settings.

and Emotional Foundations
for Early Learning

Program-Wide Expectations

- Small number (3 to 5)
- Apply to staff and children
- Developmentally appropriate
- Staff are involved in the process
- Posted in classroom and common areas

Critical Elements: 3. Staff Buy-In, Ownership

- Staff Ownership
 - Important to establish early in project
 - Staff need professional development on topic
 - Leadership team maintains buy-in by inviting input and feedback

Please take a moment to give us input on how you feel about starting Program-Wide PBS

☐ I feel very confident about adopting program-wide PBS. Let's commit to doing this.

☐ I like the idea of program-wide PBS, but believe that I need more training around this topic before feeling like I can be on board with this.

☐ I like the idea of program-wide PBS, but do not feel I can make a commitment to it at this time.

☐ I don't feel that program-wide PBS will be beneficial and would rather not participate in this process.

Critical Elements:

4. Teaching & Acknowledging Expectations

- Strategies developed for embedded instruction
- Variety of teaching strategies
- Strategies for acknowledging use of expectations

| Expectation | Playground | Hall | Classroom | Bus |
|-------------------------|---|-------------------|----------------------------------|------------------------|
| Be Respectful | Help each other | Use inside voices | Share Listen to others | Stay in your own space |
| | Take turns | Use helping hands | Be aware of others' feelings | |
| Be Safe | Play where you can see your teacher | Use walking feet | Use walking feet | Stay seated |
| | Sit on bikes, roller racers, and swings | Stay together | Play safely Follow directions | Use inside voices |
| Be A Team Player | Share outdoor toys. | Help each other | Help each other | Help each other |
| | Work it out with words. | | Work it out with words | |

Promoting the Expectations

Critical Elements: 5. Family Involvement

- Input at the beginning
- Multiple mechanisms for sharing the initiative
- Multiple mechanisms for home implementation
- Family partnerships in developing and implementing individualized support

Announcing Program Wide PBS to Families

- Letter written in the child's voice
- Brochure to send home
- Include in parent manual, review with parents during conferences
- Create a family friendly storybook that explains the initiative
- Create parent posters to send home --- or fridge magnets, chore charts, etc.
- Put a banner up that announces the effort (e.g., "Together We Can") in the center.
- Adopt a symbol (e.g., star, heart, hands). Send a symbol home and describe the initiative on the back.

Critical Elements: 6. Implementation of the Teaching Pyramid

- Positive relationships
- Supportive environments
- Teaching social emotional skills
- Initiate the development of individualized supports for children with persistent challenging behavior

Center on the Social
and Emotional Foundations
for Early Learning

Implementation Issues Associated with the Teaching Pyramid

- Unfounded belief that the bottom three levels are already in place – relationships, environment, teaching strategies
- Lack of understanding about the relationship between environment and social development and problem behavior
- Tendency to want to jump to the top of the pyramid
- Desire for a quick fix

Center on the Social
and Emotional Foundations
for Early Learning

Critical Elements: 7. Professional Development & Staff Support

- Staff Support Plan
 - Ongoing technical assistance and coaching
 - Behavior support facilitators are trained
 - Needs assessment for pyramid implementation
 - Individualized professional development plans
 - Group and individualized training strategies
 - Incentives and acknowledgment

Stages of Implementation

- Implementation is not an event
- A mission-oriented process involving multiple decisions, actions, and corrections
- Implementing an evidence-based approach takes 2 to 4 years

Professional Development

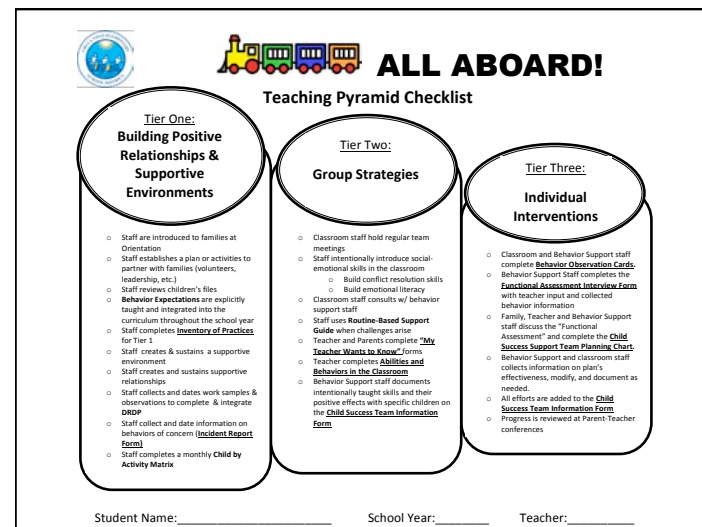

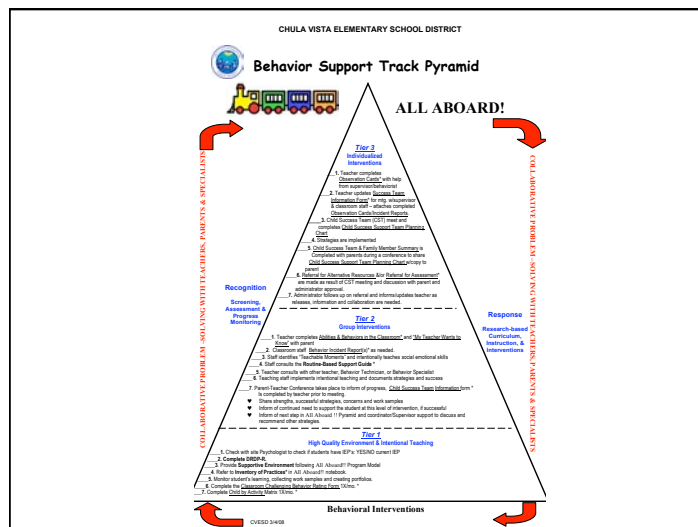

- Implementation Fidelity is the Goal!
- Ongoing Process
- Include All Staff
- Focus on Coaching – Avoid Train and Hope!

- Responding to problem behavior
 - Developmentally appropriate, classroom strategies
 - Crisis responses
 - Problem solving and support
 - Team assessment-based process for tertiary level
 - Partnerships with families

Critical Elements: 9. Monitoring Implementation & Outcomes

- Monitoring implementation and outcomes
 - Measurement of Implementation
 - Measure outcomes
 - Data collected and summarized
 - Data shared with staff and families
 - Data used for ongoing monitoring and problem solving
 - Plan is updated, revised based on data

Evaluation Plan

Levels of Data Collection

- Implementation
 - Benchmarks of Quality
 - Teaching Pyramid Observation Tool
- Program
 - Communications (calls to families, dismissals, transfer, requests for assistance, family conferences)
 - Behavior Reports
- Child
 - Desired Results System or other measure (social skills; problem behavior)
