What Do We Do In Circle?

**Everyone can go to circle
and sit on their seat.**

I can sit and look at the teacher.

**I can also listen with my ears to
what the teacher says.**

When we are in circle, I can keep my hands to myself.

**When the class listens, I
can listen.**

When the class sings, I can sing.

When the teacher shares new things I can learn

When the teacher wants us to be quiet, I can be quiet

When the teachers says we can dance, I can dance

The Circle Rules are:

- I sit on my seat.
- I look at the teacher.
- I listen.
- I have quiet hands.

**Circle is fun when we all
try to follow the rules.**

Sit.

OR

Sit.

Cut out “sit picture”, laminate, place rough Velcro on back side, and Velcro to carpet in front of child’s seat in circle. This will act as a visual cue to the child.
