

Help Us Stay Calm

Strategies that help you and your child during challenging behavior

Stay Calm | Reflect | Re-Connect

When your child is engaged in challenging behavior or experiencing anger, stress, sadness or frustration, it is important to stay calm. If you express your anger and frustration, it might result in more challenging behavior from your child. Remaining calm will provide the safety and support your child needs as they learn how to calm themselves.

Step 1: Calm Yourself

Count until calm

Connect with a friend

Think something positive or fun about your child

Drink some water;
Have a snack

Take deep breaths

Ask for help

Step 2: Reflect

Step 3: Re-Connect

When you re-connect, you can help your child learn new skills. Once you feel calm, and your child appears calm, here are a few tips.

Make sure your child is calm

Acknowledge feelings

Offer choice

Redirect to a new activity

Talk and play with your child
